St. Mary's Christmas Fair Programme

RECTOR'S FOREWORD

Those who have attended our St. Mary's Christmas Fair in previous years know that it is a MUST for all those who enjoy Christmas shopping. In the Village Hall, for one day, there is to be found tables loaded with a wonderful variety of Christmas presents and all at most reasonable prices. In addition, there is the enjoyment of meeting all your friends in what has rapidly become the social event of the year.

As I told you last year, we have a very old and beautiful church. Those of you who were lucky enough to see it during the flower festival will realise this to the full.

But old churches are constantly in need of attention and exceptional expenditure on the upkeep of the fabric is the rule rather than the exception. We are only able to keep pace with this because of the wonderful support you give us year after year at our Christmas Fair.

We are very grateful to all our supporters, and I include here certain ladies who knit and sew throughout the year for the Fancy Goods Stall as well as the stall holders and helpers, and all who give time and effort to make the Fair a success.

Looking forward to seeing you there, I remain

Your sincerely,
Herbert F. Jones
