Dear Sir

Dr Hardy has spoken to me about
the Dispensary work at St Nicholas
Hospital.

I should be willing to consider
undertaking this work if it
can be arranged to our mutual
convenience but I am not
quite clear as to the amount
of time it would involve.

Dr Hardy suggested an hour a
day but naturally there is
a good deal of work necessary
in a dispensary other than
the actual Compounding
Whether attendance would be
required morning or afternoon

Re. Coke's

In reply to your letter of June 13th, we are very pleased to hear from you that the reduction in your quota has been restored although we have received no copy from the Directorate. We are, however, in communication with them over the question of Coke supplies generally and no doubt we shall be hearing from them. We hope that supplies may be better as we are not bound to get such severe weather as last winter with the consequent delays.
